ABOUT THIS COURSE

"An interior is the natural projection of the soul."

Interior design is more than just aesthetics—it is the language through which spaces tell stories. This masterclass is designed to help participants explore the transformative power of interior design and décor, mastering the art of translating personality and emotion into tangible design elements.

This **project-based course** will guide participants through the entire interior design process, from understanding a client's brief to executing a well-curated space—all while maintaining a budget-friendly approach. By integrating design fundamentals such as **color, texture, and material innovation**, this course empowers students to breathe life into spaces with creativity and purpose.

Key Learnings & Course Highlights:

- **Art vs. Design vs. Décor** – Understanding the interplay between these elements in interior spaces.
- **Interior Design & Décor Styles** – A deep dive into prominent and trending styles shaping the industry.
- **Cultural Influence in Design** – Exploring the rich décor elements of the Subcontinent and their modern interpretations.
- **Furniture & Lighting Design** – Understanding how the play of furniture and lighting can define mood, function, and ambiance.
- **Materiality & Innovation** – Mastering the use of color, materials, and textures to enhance spatial experiences.
- **Nature-Inspired Décor** – Harnessing organic influences for timeless and harmonious interiors.
- **Industry Insights** – A closer look at the iconic work of Kelly Wearstler and other leading designers.
- **Real-World Applications** – Case studies, including selected personal projects, to provide hands-on insights.
- **Interactive Learning** – Engaging discussions, juries, and feedback sessions with prominent interior designers from Pakistan's design industry.

Final Project:

Participants will apply their learning to develop a **digitally executed, holistic interior space** that reflects their creative vision and incorporates all key design principles explored in the course.

This masterclass is an exciting opportunity for aspiring designers and décor enthusiasts to refine their skills, **think beyond traditional boundaries**, and create interiors that truly resonate with the soul.

MEET YOUR INSTRUCTOR

Course Instructor

IRTIZA AHMED

*Architect and
Multidisciplinary Designer*

Irtiza Ahmed is an architect and multidisciplinary designer whose work explores the intersection of architecture, urbanism, ecology, and visual culture. With over 10 years of professional experience, he has worked across architecture, interiors, landscape, exhibition design, and material experimentation, with a focus on socially and environmentally responsive design.

A Fulbright scholar, Irtiza holds a Bachelor's degree in Architecture from the National College of Arts and a Master's degree in Design and Urban Ecologies from Parsons School of Design, The New School, New York. His practice extends beyond architecture into visual communication, creative direction, and object design, including ceramics, furniture, and jewellery.
